	German for Business Studies 2		es 4 co	ntact hrs / 60 h	100 h	100 h 20 students	
2	Learning Outcomes / Skills In the advanced module, the foundations of oral and written communications in the foreign business language will be further deepened. Particular importance is attached to the deepening of, in particular the specialisation on language skills in order to be enabled to process and discuss highly demanding business texts and complex graphics in a detailed and differentiated manner. Special importance is attached to the further development and improvement of the above all ora scientific ability to communicate. The goal is the attainment of Level C1 of the European Framework of Reference: Students will be able to express themselves in a clear, structured and comprehensive way on complex issues and appropriately use various means for text linking in doing so.
