Five purposes of the year abroad

Enhancing, developing or improving...

- Language skills
- Intercultural skills (UK unis in Dubai or Malaysia)
- Career opportunities & Hard skills enhancement (content not available at the home university; employability ranking here: <https://www.emerging.fr/geurs/ranking>)
- Personal growth
- Cost minimization
- Networking

Post-Brexit changes

Some universities charge EU students less than the international level – discounted fees

- Look for who considers us a partner and offers the same rate as to UK students

Heriot Watt : 50 per cent in the UK, 30 per cent in Malaysia

Portsmouth : 50 per cent

MMU : 20 per cent

Stirling : GBP 5,000

University College Dublin : EUR 2,000

- Some offer scholarships

- Choose an Irish university for EU fees

- Google for unis and discounts

Preparation & Application Timeline

I Erasmus or non-fee partner (UK/MMU, Poland, Turkey, etc)

April 1 : application deadline

II Popular host universities (meaning several students every year)

March : sending off applications, applying online

Same time : contact the fellow students there to take over their rental contracts

III New or less chosen host universities

Summer of the **year before** you go / at least one year before : contacting the programme leader / administration of host university

Explanation for longer time frame : our system (two degrees in four years, our Bachelor's and their Master's degree require weeks of negotiations

Caveat : in some cases, the host university will not be willing to award the PG degree; if location is everything, go for the UG degree (also negotiable)

Conditions for the year abroad

- For UG (Bachelor studies, year 3 or 4):
120 ECTS (only two unfinished modules)
- For PG (Master studies in the UK ONLY, plus DBS and UCD or UK unis abroad):
180 ECTS (with thesis & viva)

Explanation:

three years is 3 times 60 credits; w/t the thesis & viva (**15** credits), students have **145** credits and need to do extra points; not every uni accepts students without the thesis; MMU takes PG applicants with fewer than 180 credits but who have an apprenticeship (*Ausbildung*)

Timeline

Some universities require your **pro-forma** degree (180 ECTS including the thesis&viva) as early as on **August 1**.

This means, you have to register your thesis (StPO: “nach schriftlichem Antrag”) in **May** at the latest, making sure the supervisor is in Germany to **mark the thesis** and **do the viva** with you when you are done. The **earliest** registration is **March** with all Year 1 and 2 classes successfully passed plus the complete fifth semester (or 30 ECTS from Year 3). Remember some classes might only be offered once a year!

Prerequisites:

120 ECTS (Year 1 and 2)

Internship (six weeks)

30 ECTS (from Year 3)

Thesis: 10 weeks

Undergraduate studies

- This term refers to Bachelor level studies either in the third or fourth year.

In 2026, students studied at the following universities:

- MMU (Manchester)
- Rennes
- NUI Galway
- DBS

(more about the levels PG/UG etc at the end)

Postgraduate studies

- This term refers to Master-level studies in the fourth year
- The programme must contain 50 per cent business modules; please check before you go

Caveat: International Business Management programmes tend to be at a lower level due to the 'mixed bag' that enrol (language level problem)

In case you postpone the thesis, remember that thesis&viva (Bachelorarbeit/Kolloqium) are 15 ECTS credits and if you want to do a MASTER (=PG), you need 180 ECTS points. That would mean doing extra points in the business department OR IBKN totalling 15 points.

(more about the levels PG/UG etc at the end)

Application preparations

Prepare applications (about a year before you go)

- Collect information about the host university (make sure it is credited H+ in the Anabin system (<http://anabin.kmk.org/>))
- Check study programme, content and degrees
- Select target university: Learning Agreement for non-partner universities (deadline June16)
- Scrutinize admissions regulations of target universities and make your own checklist
- Prepare applications (German documents, grade transcript, references, provisory degree documents for Master's programmes by the coordinator)
- Calculate costs (studies, enrolment, living, financing)

Sample: selecting a location by degree programme: HRM

This would be your research using Google or a similar search engine:

Given your interest is International HRM and you are planning to do a Master's degree. From the texts we did in class, there are some terms indicating that the focus is international HRM. Use those terms with the location (ac.uk for universities in the UK, .edu for US ones).

[site:.ac.uk "parent country national"](#) (or repatriation, expatriates etc)

This would find out if a university takes an interest in international HRM

[site:dbs.ie repatriation compensation](#)

Or if you found a university and you want to check the unit content

[site:mmu.ac.uk HR in Context "learning outcomes"](#)

[site:mmu.ac.uk HR in Context "Programme Specification"](#)

[site:mmu.ac.uk HR in Context "Programme Specifications"](#)

[site:mmu.ac.uk HR in Context "unit specifications"](#)

Sample: selecting a location by degree programme: Sales

Googling the host university because a student wants to focus on a special area is the first step; in this case it is Sales.

Having done some research it becomes clear that there are two programmes focussing only on Sales.

<http://www.port.ac.uk/courses/business-and-management/ma-sales-management/>

<http://www2.warwick.ac.uk/fac/sci/wmg/education/wmgmasters/structure/modules/ssm/>

However, there is also a programme that carries both in its title: Marketing With Sales Management

http://www.courses.napier.ac.uk/MarketingWithSalesManagement_W31429.htm

Sample: selecting a programme by starting date

Googling the programme because the September date is too early, find January programmes:

site:mmu.ac.uk "This course starts in September 2016 and January 2017"

<https://www.google.de/#q=site:mmu.ac.uk+%22This+course+starts+in+September+2016+and+January+2017%22>

And finding the responsible course leader/programme leader or director:

site:smurfitschool.ie "programme director"

 - IELTS SELT Consortium: 'IELTS for UKVI' or 'IELTS Life Skills' (only Berlin)

The cheapest seems to be this one:

<https://skillsforenglish.com/test/selt/>

Insurance issues

 - provided by National Health Service (NHS)
 - free NHS Care (as EU student)
